## Projects

### Five to Nine

Director | Collaborative Short Film | Winter 2026

I was the director, creative director, scriptwriter, and animator for a short film titled *Five to Nine*. I am the creator and story writer for this project. Our film wrapped up in March of 2026, and we plan to submit it to multiple student film festivals.

### Ring of Fire

Animator | Grad Thesis | Spring 2026-Summer 2026

I was an animator helping with a graduate thesis film. I provided my skills for three shots of the total film. I used my skills to capture subtle, close-up facial shots that convey the main character's emotions.

### Spotlight

Producer | Collaborative Short Film | Spring 2025

I was a producer, sound lead, animator, and modeler for the short film *Spotlight*. I worked alongside three of my peers to deliver a high-quality and touching story in just two months.

### Career Fair Assistant

SCAD | February 2025

I will build connections, gain experience, and represent SCAD with positivity and professionalism in this upcoming job. I will work to provide help to both students and employers.

### Sales Associate

Bride and Groom | January 2023 – May 2023

Help customers choose attire for formal events. Choose garments by listening to and interpreting the customers' preferences and personal style to provide them with the optimal choice. Encouraged consumers' self-confidence and body-positivity through a supportive and kind customer service experience.

## Education

### Savannah College of Art and Design/BFA/2027

I am currently majoring in 3D Character Animation. My current GPA is 3.88. Since starting my education at SCAD, I have been on the Dean's List consecutively each quarter. I am also a member of Ars Longa and WIA. Ars Longa is an Honors Society designed to create networking experiences for students.
